WHY SHOP AND BUY IN HICKORY HILLS FIRST ?

VARIETY, VALUE, CONVENIENCE ... AND ... LOWER SALES TAXES

Hickory Hills local entrepreneurs and members of The Hills Chamber of Commerce offer a wide variety of products and services that consumers and business owners need or desire. They are nearby and competitively priced.

Of course, everyone should shop and buy based on value and price. However ... when calculating the true costs of what you buy ... don't forget to include the costs in time, aggravation and fuel spent in traveling a distance to save a buck or two. Likewise, Hickory Hills sales taxes are often lower than those elsewhere.

When you add it all up ... it pays to ... HEAD FOR THE HILLS !

20,855,873 REASONS

WHY HICKORY HILLS RESIDENTS SHOULD SUPPORT OUR LOCAL BUSINESSES

\$20,855,873 is the amount of Sales Tax Revenue that Hickory Hills businesses generated to help fund city services from 1996 to 2008. Annually, sales tax revenues alone account for about 15 to 20 % of the City budget. Property taxes paid by Hickory Hills businesses are also a major source of local government revenue and support our local schools, parks, libraries and other services.

Hickory Hills residents can look at it this way: when you shop and buy locally,
you are getting an indirect rebate or discount that is invested back in your community.

A WORD ABOUT OUR “STARS” MEMBERS OF THE HILLS CHAMBER OF COMMERCE

Next to many of the business listings on the following pages, you will notice a “star” symbol. A star indicates that the business is a member of The Hills Chamber of Commerce, which serves the Hickory Hills and Palos Hills communities. While all of our local businesses contribute mightily to our community, some “go the extra mile” by joining our Chamber of Commerce.
